

UNSOLVED HOMICIDE CASE

DATE: 12/20/2019

MICHELLE CARNALL-BURTON

Age killed: 22 yrs.

From: Wichita

Race: White

Hair: Brown

Eyes: Hazel

Height: 5ft. 7in.

On Sept. 21, 1987, human remains were found by a county road crew off 290th St., a rural road near Lincolnvilleville, Kan., in Marion County. In Dec. 2019, the KBI used DNA analysis and forensic genealogy research to identify the woman as Michelle Carnall-Burton, who lived in Wichita and was killed at the age of 22. She had a tattoo of a cross on her lower left forearm.

The KBI is pursuing leads in this case and asks anyone with knowledge of Carnall-Burton's whereabouts in June or July of 1987 to contact the KBI at 1-800-KS-CRIME, or submit a tip to
