Kansas Offender Registration Act

**Kirk D. Thompson, Director
Kansas Bureau of Investigation**

The Kansas Offender Registration Act is intended to provide the public with information regarding convicted offenders who could pose a threat to the safety of our families.

Duties of a Registered Offender

Register with the registering law enforcement agency within three days of entering into any county to reside, maintain employment, or attend school.

Register four times a year in person at the registering law enforcement agency in any county where they reside, maintain employment, or attend school. After initial registration, they report in the month of their birthday and every third, sixth, and ninth month thereafter. They must be photographed, pay a registration fee of \$20, and complete the registration form with all information.

They must register in person at the registering law enforcement agency within three days if beginning, changing or ending a residence, employment, or school. They must also provide written notice to the Kansas Bureau of Investigation.

If they are transient, they are required to register in person with the registering law enforcement agency every 30 days, or more often at the discretion of the registering law enforcement agency. They are to provide a list of places where they have slept and frequented during the period of time since they last registered. They are also to provide a list of places where they may be contacted and where they intend to sleep and frequent during the period of time prior to the next required registration date.

If convicted or adjudicated and required to register in another state, they are required to register for as long as that state would require or for the period of time required in the State of Kansas, whichever is longer.

If receiving inpatient treatment at any treatment facility, inform the treatment facility of their status as an offender and inform the registering law enforcement agency of the county in which the treatment facility is located of their presence at the treatment facility and the expected duration of the treatment.

They are required to immediately renew any Kansas driver's license or state identification card, and they must annually renew such license or identification card. The driver's license and identification card shall indicate that they are a registered offender. If maintaining primary residence in Kansas, they must surrender all other driver's licenses and identification cards from other states, territories, and the District of Columbia.

They are required to report to the registering law enforcement agency any and all: email addresses; online identities; information relating to membership in any and all personal web pages or online social networks; and internet screen names.

If they travel outside of the United States, they shall report in person to the registering law enforcement agency and provide written notice to the Kansas Bureau of Investigation 21 days prior to any such travel.

An expungement for the crime that requires registration does not terminate the registration obligation.

FAQ's

Are there any laws that mandate how close an offender can live to a school, daycare or community center?

- A. Kansas does not have any laws that mandate where an offender can or cannot live, work, or go to school. However this may be a condition of their supervision. The KBI does not monitor these restrictions.

Are there any laws that mandate with whom an offender can or cannot associate?

- A. Kansas does not have any laws that mandate who an offender can be around. However this may be a condition of an offender's supervision. The KBI does not monitor these restrictions.

What causes the duration of registration to be extended?

- A. Duration of registration does not apply while the offender is incarcerated or any time period when the offender fails to comply with the registration requirement.

Who do I contact if I suspect a sex offender has an account on a social networking site?

- A. You can report that information to the KBI through the KBI's public website and we will forward it to the law enforcement agency having jurisdiction over the offender for further investigation or you can report it directly to the social networking site.

Who can I contact if I have information, questions or concerns regarding a registered offender?

- A. You may contact the Sheriff's Office where the offender registers or the KBI Offender Registration Unit by telephone at (785) 296-2841 or by e-mail at registeredoffender@kbi.state.ks.us.
