

NOTICE: KBOC Health & Sanitation Regulations 06/22/2018

Attention Licensees:

The Health & Sanitation Regulations (also known as the [Infection Control Regulations for Cosmetology Profession Practitioners and Facilities](#)) for the Kansas Board of Cosmetology (KBOC) are currently under review for revision by the Kansas Department of Health & Environment (KDHE). KDHE has welcomed KBOC's assistance in reviewing and providing input for the proposed regulation changes; however, KBOC would love to hear from you!

Survey Instructions:

Please use the following link to review the proposed regulations and provide feedback
<https://www.surveymonkey.com/r/3FCT7P2>

Upon selecting the applicable profession, you will be able to review the proposed regulations. If you have feedback, please provide your feedback in the comment fields below each regulation you wish to comment on.

Alternatively, you can access the survey and proposed changes separately on the KBOC website.

Website Instructions:

Please visit www.kansas.gov/kboc

To review the proposed changes, please select the link of your appropriate profession ([Cosmetology](#) or [Tanning](#)).

To provide input after reviewing the proposed changes, please return to the homepage and click on the "[Feedback Form: KDHE Proposed Regulations](#) ." link.

The mission of the Kansas Board of Cosmetology is to protect the health and safety of the consuming public by licensing qualified individuals and enforcing high standards of practice. Only through compliance with state law and rules and regulations can this mission be met.

It is through the collaboration of the Board and licensees that we can continue to have a thriving and safe industry!
