

# Community Mass Care Management

G108

May 28-29, 2008  
Kansas City, Kansas

This course is intended to equip emergency management staff and voluntary agency personnel with the knowledge and skills necessary to perform as effective mass care coordinators in a broad range of disaster situations. The course covers how to assess and size up mass care needs; how to plan for mass care; recruitment, training, and exercises for mass care personnel; and actions to take in short-term and long-term mass care operations (response and recovery).

Participants can register through the KS-TRAIN website: <https://ks.train.org>. We are only taking registrations through KS-TRAIN, no other registrations will be accepted. If any participant needs assistance registering or needs help starting a KS-TRAIN account, please call **Isabel Herrera** at (785) 274-1412, or contact the KS-TRAIN administrator listed on the website.

## Americans with Disabilities Act (ADA)

If you have a disability and need special accommodations in order to fully participate in any training activity, please contact the State Training Office, (785)274-1413, to discuss your specific needs.
