

Happy February to all our GPRC friends! Your encouragement and support have brought us to where we are today as we have reached 100% of our intended goal. Thank you from the entire team for stopping by with kind words and generous donations. Many of you asked if a small contribution or buying new shoes would help us keep our doors open. As we click on the neon sign each morning, we are so grateful for each one of you because every donation, purchase and prayer both big and small, brought us closer to obtaining what some would call an impossible dream.

Once we have obtained the final go ahead from our bank and the SBA, orders will be placed and new product will begin making its way into the store. The UPS truck will be the sweetest sound as we have not received new footwear in months! We will be receiving inventory in waves so if there is anything you need right away, please let us know so we can add it to the opening orders. Our hope is to get approval by Friday so you can expect to see the results by late next week. Thank you for your continued patience as we work with all parties concerned to ensure our success going forward.

In the meantime, please stop by and peruse through our stacks of **CLEARANCE SHOES** including Mizuno, Montrail and Asics DS Trainer. **ALL WINTER APPAREL IS 25% OFF** including Icebreaker and Mizuno Breath Thermal. **ALL PEARL IZUMI APPAREL IS 25% OFF**. If you have **SMALL** or **EXTRA LARGE** feet you will love our sock sale: **ALL THORLO, FEETURES & PEARL IZUMI** socks are **BUY TWO, GET ONE FREE**. Bodacious **TRI BAGS** are 20% OFF as are **SMITH SUNGLASSES**. Lastly, don't forget to register for the Journey for Sight **BLIZZARD RUN-5K** Annual Run/Walk this Saturday, February 6th at Washburn University. This is the Topeka Lions 27th year sponsoring this event and proceeds benefit sight related services. Registration forms are available at GPRC and many other locations around town.

With sincere thanks,

Willie and Karen Lambert
