<b>ASBOG® EXAMINATION INFORMATION</b>
---------------------------------------

<p>The written examination given by the Kansas Board is developed by the National Association of State Boards of Geology (ASBOG®) and consists of two four-hour parts; a Fundamentals of Geology (FG) exam and a Principles and Practice of Geology (PPG) exam. Each examination uses a four-option multiple-choice format. The FG and PPG examinations contain 100 and 80 items, respectively. Both examinations are “closed-book” and are administered on a single day during the spring and fall of each year. For each exam, a <b>scaled</b> score of 70 is the minimum passing score. An examination information handbook will be mailed to each candidate <b>after</b> their application is approved by the Board.</p>
