)	
MARK C. POINDEXTER)	
_____)	

EMERGENCY ORDER

I. Statement of the Case

On or about February 6, 2008, the Kansas Board of Pharmacy (Board) received a complaint from a widow who claimed Hogan's Pharmacy (Hogan's) improperly dispensed a prescription drug to her husband via the internet. The complaint alleged that the drug, Soma, led to her husband's death. A toxicology report confirmed that Carisoprodol, the generic name for Soma, and another drug Zolpidem, the generic name for Ambien, were in her husband's blood stream. The coroner's report identified the cause of death as a "mixed drug intoxication."

Prior to the widow's complaint, the Board received a complaint from a father whose daughter received Carisoprodol in the mail from Hogan's. The Colorado resident said his daughter had been denied medications locally because of her drug addiction, but complained that she was able to purchase medication via the internet from Hogan's.

Investigations revealed that Hogan's, through two pharmacists and two pharmacy technicians, dispensed a high volume of drugs in internet sales. The volume of drugs dispensed, together with inadequate information elicited before filling the prescriptions, combine to create a pattern of unprofessional conduct that exploits patients with drug seeking or addictive behaviors.

Joyce W. Buckley, who prescribed medications filled at Hogan's, was not authorized to prescribe the medications. In addition, recent interviews with former employees revealed that records were being altered after the prescription was transmitted to Hogan's to create the appearance that the prescription had been legitimately authorized. These interviews also uncovered the fact that people working for the pharmacy were performing functions they were not authorized by law to perform. The operation of the pharmacy in this manner creates an environment likely to harm patients.

Board inspections also revealed numerous violations of the statutes and regulations at the pharmacy. Missouri, Utah, and Colorado have issued orders against Hogan's.

Continued practice by Mark C. Poindexter constitutes an imminent danger to the public health, safety and welfare and must be curtailed. Mark C. Poindexter's pharmacy technician's registration is hereby suspended.

II. Jurisdiction

1. Hogan's is located at 120 W. Commercial, Lyons, Kansas 67554. The Resident Agent for service of process is Jolane Poindexter located at 120 W. Commercial, Post Office Box 170, Lyons, Kansas 67554.
2. The Board issued registration number 2-09719 to Hogan's on October 26, 2001.
3. Hogan's registration number that enables them to sell over-the-counter drugs is 10-39460.
4. Two pharmacists are working for Hogan's. One is Laurence B. Leamer, R.Ph, license number 1-08611, and the other is the pharmacist-in-charge, Rick Kloxin, R.Ph., license number 1-09437.

5. Jolane Poindexter and Mark C. Poindexter, the owners, are registered with the Board as technicians. Mark C. Poindexter's registration number is 14-03566.

6. The Board is subject to the Kansas Administrative Procedures Act (K.S.A. 77-501 *et seq.*)(KAPA). K.S.A. 77-536 of KAPA provides that the Board may use emergency proceedings when a situation poses an immediate danger to the public health, safety, or welfare.

7. The practice of Mark C. Poindexter as a pharmacy technician poses an immediate danger to the public health, safety, and welfare, and he is hereby ordered to cease and desist from practicing as a pharmacy technician.

III. Facts

8. On or about July 27, 2007, the Board received a complaint about Hogan's from a Colorado resident. The complainant said that Hogan's shipped 180 tablets of Carisoprodol to his daughter. The Colorado resident said his daughter had been denied medications locally because of drug addiction, but complained that she was able to purchase medication via the internet from Hogan's.

9. The Colorado resident complained that the internet site advertised as follows:

- a. "We deliver over 1500 quality prescription drugs online without prescriptions,"
- b. "Instead of a traditional physical exam by the physician, the patient is allowed to decide for himself depending on the symptoms what's right for him," and
- c. "Our medications are primarily the drugs people may have trouble ordering in real life."

10. On September 25, 2007, the Colorado State Board of Pharmacy issued a Cease and Desist Order to Hogan's for delivering prescriptions to Colorado residents without registering as a nonresident prescription drug outlet. Exhibit 1 is the Colorado order. Exhibit 1 is incorporated herein as though recited in full.

11. On or about February 6, 2008, the Board received a complaint from a widow who claimed Hogan's improperly dispensed a prescription drug to her husband via the internet resulting in his death.

12. Kansas Attorney General Special Agent Korby Harshaw interviewed the widow.

13. The widow explained to Special Agent Harshaw that her husband became addicted to Soma following a car accident in which he injured his back. She described her husband's episodes of disorientation and loss of muscle control as "Soma Comas."

14. The widow said her husband turned to an internet pharmacy because her husband could no longer obtain prescriptions for the amount he wanted from his doctor.

15. She said that he had regularly taken as many as 10-12 pills a night before going to bed.

16. On August 25, 2007, she said her husband told her he had taken nine Soma pills before bed. At approximately 8:30 p.m., she went into their bedroom and found her husband slumped over near a pool of vomit, unresponsive, and not breathing.

17. The coroner's report listed the cause of death as a "mixed drug intoxication." A copy of the coroner's external examination report is attached as Exhibit 2. Exhibit 2 is incorporated herein as though recited in full.

18. Following his death, a co-worker reviewed the deceased's email account at work. The co-worker said that the deceased's inbox contained several emails

reminding him to reorder his pills. The co-worker also recalled seeing several Fed-Ex shipments for the widow's husband.

19. The widow contacted Federal Express and learned that the packages were sent from Hogan's.

20. On February 26, 2008, Special Agent Korby Harshaw and Special Agent Daren Fox met with Amber Boyd, a former pharmacy technician at Hogan's.

21. Boyd started working as a pharmacy technician for Hogan's on or about March 3, 2007. She interviewed for the job with owner Jolane Poindexter who described the business as an "internet pharmacy."

22. Boyd said her duties included reviewing prescriptions to make sure basic information matched. Boyd would confirm that females were not ordering Viagra or that people received the appropriate medication for back pain versus headaches.

23. Boyd said there were days when she would deny a hundred prescriptions which had already been approved by Dr. Buckley.

24. On at least a half dozen cases, Jolane Poindexter would direct Boyd to change items completed by the patient on a questionnaire so that what would appear as the patient's answers would match the drug being provided.

25. Jolane Poindexter is not a pharmacist.

26. As an example, Boyd said once a patient requested Fioricet for back pain. Boyd changed the patient's description of the medical condition from back pain to headaches because she understood that Fioricet should not be prescribed for back pain.

27. Boyd said the pharmacist on staff at Hogan's, Rick Kloxin, R.Ph. would review the prescription by looking at the bottle and compare it to the printed prescription. She said the pharmacist would not review any other information.

28. Boyd recalled Mr. Kloxin telling her, "It would be impossible for the doctor to review each script coming through Hogan's." Even though Mr. Kloxin acknowledged that the prescriptions were not legitimate, he continued to fill prescriptions ordered through the internet.

29. Boyd also recalled a time when Jim Kinderknecht, R.Ph. a Chief Inspector from the Board visited the pharmacy. Boyd was told to hide the end-of-day reports from him. As Mr. Kinderknecht asked her questions, Ms. Poindexter would hit the back of her chair to indicate Boyd should not answer a particular question.

30. Boyd also said that the pharmacy was 95% internet and it was obvious they "were not getting legitimate orders." Boyd described the requests for prescriptions as coming from "pill poppers."

31. Boyd said, "There was not enough time in the day to thoroughly look at all the prescriptions."

32. On March 4, 2008, Special Agent Korby Harshaw spoke with Rosie Grow.

33. Rosie Grow said she worked in the back of Hogan's as a shipping clerk.

34. Ms. Grow is not and never has been a pharmacy technician registered with the Board.

35. Ms. Grow said that Ms. Poindexter would email prescription labels to the store from home indicating that she had approved them from her house.

36. Ms. Grow also said that a pharmacy technician would take a pre-filled pill bottle and affix a label to it that she received over the internet. The bottle was handed to a pharmacist who would then look at the bottle. The pharmacist would then set the pill bottle down in front of her, and she would package and label the pills for shipping. Ms. Grow said that she shipped pills all over the country.

37. Ms. Grow said that she would package and ship between 300 and 500 prescriptions for a DHL pick up around noon. She then would package an additional 300 to 500 prescriptions in the afternoon to be picked up by Federal Express at about 5:00 p.m.

38. Ms. Grow said that she started experiencing problems with her hands and limited her shipping work to half days. She said she then filled prescription bottles using one of two filling machines in the back room.

39. On or about January 4, 2007 and again on or about July 13, 2007, the Board issued subpoenas for information regarding internet activity. Information received from Hogan's showed that Hogan's record of prescriptions included questionnaires.

40. The questionnaires ask the patient whether they have previously been prescribed the medication they were requesting from Hogan's. The vast majority of the questionnaires, if not all the questionnaires, show the patient answered "yes" to the question. Exhibit 3, attached hereto, is a prescription and questionnaire for a patient located in Plattsmouth, Nebraska. Exhibit 3 is incorporated herein as though recited in full. Information that could identify the patient has been redacted from this Exhibit.

41. The questionnaire also asks, "Is your Personal Healthcare Practitioner aware that you are requesting this medication?" See, Exhibit 3.

42. The response recorded on almost every questionnaire if not on all questionnaires to the question above is "Yes." See, Exhibit 3.

43. Questionnaires also show that Hogan's delivered medication to drop-off locations or pick-up locations, such as Federal Express. Exhibit 4 constitutes copies of questionnaires and prescriptions with drop-off or pick-up locations identified as the shipping address. Exhibit 4 is incorporated herein as though recited in full.

44. Questionnaires also show that a doctor named Joyce W. Buckley wrote prescriptions filled at Hogan's. Exhibit 4.

45. Joyce W. Buckley's license is a limited three year license and is restricted to an approved underserved area or facility in New York. Dr. Buckley's license is in the field of "gynecology only." Exhibit 5 is a copy of public licensing information about Dr. Buckley easily obtained by Jim Kinderknecht, R.Ph. through the internet. Exhibit 5 is incorporated herein as though recited in full.

46. On July 16, 2007, Board inspectors Jim Kinderknecht, R.Ph. and Carly Haynes, R.Ph., visited Hogan's.

47. Ms. Haynes took pictures showing stacks of unlabeled pill bottles on shelves. Copies of two pictures taken by Ms. Haynes during her July 16, 2007 inspection are attached to this order as Exhibit 6 and are incorporated herein as though recited in full.

48. Ms. Haynes also asked about incident reports during her July 16, 2007 visit. Ms. Poindexter showed a report to Ms. Haynes titled "This represents our (Hogan's Pharmacy) Incident Reports." Two items on the report were labeled a "mix-up." The report did not contain the information required for incident reports for the two incidents labeled a "mix-up."

49. Ms. Haynes asked Ms. Poindexter about counseling of patients on all new prescriptions. Ms. Poindexter said that the pharmacy does not call each patient. She told Ms. Haynes that they relied on the packaging.

50. Ms. Haynes also observed that Hogan's had three patient databases. The databases were not linked. Ms. Haynes asked if a prescription could be filled for the

same patient if the patient uses different internet sites. Ms. Poindexter said, "Technically yes, unless someone recognized the name."

51. Laurence B. Leamer, R.Ph, told Ms. Haynes he would check between 300-400 prescriptions per day.

52. Utah and Missouri also disciplined Hogan's. Exhibit 7 is evidence of the discipline of Hogan's in Utah. Exhibit 7 is incorporated herein as though recited in full. Exhibit 8 is evidence of the discipline of Hogan's in Missouri. Exhibit 8 is incorporated herein as though recited in full.

53. On March 10, 2008, emergency orders were issued against Laurence B. Leamer, R.Ph., Rick Kloxin, R.Ph., Hogan's Pharmacy, and Jolane Poindexter ordering the immediate cessation of all operations at the pharmacy.

IV. Conclusions of Fact and Law

A. Acts of Unprofessional Conduct or Professional Incompetency

i. Definitions and Authority

54. "Unprofessional conduct" means conduct likely to harm the public, and the commission of any act of exploitation related to the licensee's professional practice. K.S.A. 65-1626(hh), (7), & (9).

55. "Professional incompetency" means one or more instances involving failure to adhere to the applicable standard of pharmaceutical care to a degree which constitutes gross negligence or repeated instances of ordinary negligence. K.S.A. 65-1626(ee).

56. Pursuant to K.S.A. 65-1663(o), the Board may limit, suspend, or revoke a registration of a pharmacy technician on any ground authorized against the license of a pharmacist under K.S.A. 65-1627. The Board may revoke, suspend, place on a

probationary status or deny a license to a pharmacist who is found guilty of unprofessional conduct or professional incompetency. K.S.A. 65-1627(a)(3).

57. "In every store, shop or other place defined in this act as a 'pharmacy' there shall be a pharmacist in charge and, except as otherwise provided by law, the compounding and dispensing of prescriptions shall be limited to pharmacists only." K.S.A. 65-1637.

58. K.A.R. 68-2-20(a) requires that the "judgmental functions that constitute the filling or refilling of a prescription shall be performed only by a licensed pharmacist or by a pharmacy student or intern under the direct supervision of a licensed pharmacist . . ."

59. K.A.R. 68-2-22(a)(b) & (c) require that electronically prescribed medications shall be dispensed "within the course of legitimate professional practice," be transmitted by "an authorized prescriber," and be dispensed with the "pharmacist's professional judgment regarding accuracy, validity, and authenticity of the prescription drug order communicated by way of electronic transmission . . ."

60. K.S.A. 65-1663(e)(3) authorizes the Board to:

. . . temporarily suspend or temporarily limit the registration of any pharmacy technician in accordance with the emergency adjudicative proceedings under the Kansas administrative procedure act if the board determines that there is cause to believe that grounds exist for disciplinary action under this section against the registrant and that the registrant's continuation in practice would constitute an imminent danger to the public health and safety.

Id.

**ii. Unprofessional Conduct or Professional Incompetency
Likely to Cause Harm.**

66. Mark Poindexter is guilty of unprofessional conduct by allowing Rosie Grow to perform functions without the training and registration of a pharmacy technician.

67. Mark Poindexter is guilty of unprofessional conduct by preparing or allowing labels to be prepared at a location other than under direct control and supervision of a pharmacist.

68. Mark Poindexter is guilty of unprofessional conduct by processing the volume of prescriptions that were dispensed from Hogan's.

69. Mark Poindexter is guilty of unprofessional conduct in dispensing prescriptions from prescribers that were not authorized or that were not prescribed within the "course of legitimate professional practice" pursuant to K.A.R. 68-2-22.

70. The following acts, independently and cumulatively, constitute unprofessional conduct likely to cause harm:

- a) Allowing personnel to perform functions without proper training and registration;
- b) Allowing a pharmacy technician to prepare labels for prescriptions at a location other the pharmacy without the direct control and supervision of a pharmacist;
- c) Dispensing a high volume of prescriptions so as not to allow sufficient time for verification and accuracy;
- d) Dispensing prescriptions from an unauthorized prescriber who is not acting within the course of legitimate professional practice.

71. In the alternative, the conduct described in the preceding paragraph constitutes professional incompetency.

72. The conduct of Mark Poindexter violated the pharmacy act, or regulations promulgated thereunder, and prompts discipline of the pharmacy technicians pursuant to K.S.A. 65-1663(e).

73. The continued practice of the pharmacy technicians is likely to cause harm and requires their immediate suspension.

iv. Unprofessional Conduct or Professional Incompetency That Exploits Persons With Drug Seeking or Addictive Behaviors.

74. Mark Poindexter is guilty of unprofessional conduct by exploiting persons that may have drug seeking or addictive behaviors. The questionnaires completed by patients before Hogan's dispenses medication ask: "Is your Personal Healthcare Practitioner aware that you are requesting this medication?" The questionnaires also ask: "Have you been prescribed this medication before?" The questionnaires fail to ask why the "Personal Healthcare Practitioner" is not the one prescribing the medication. The patients answered "yes" to the question about their "Personal Healthcare Practitioner's" awareness of the request but do not explain why someone other than the "Personal Healthcare Practitioner" is requesting the medication. The questionnaires also fail to ask under what circumstances and when the medication was previously taken. The operation of the pharmacy was such that the employees could not physically review the prescriptions properly and exercise the required professional judgment to verify the accuracy of the prescriptions.

75. The complaint from Colorado and the complaint from the widow in Kansas were from family members of people who were addicted to the medication they easily obtained from Hogan's. In both instances, a prescriber in the course of legitimate professional practice had refused to write a prescription as requested.

76. In the alternative to unprofessional conduct, Mark Poindexter was professionally incompetent in dispensing prescriptions to people with drug seeking or drug addictive behaviors.

77. The unprofessional or incompetent conduct of Mark Poindexter violated the pharmacy act, or regulations promulgated thereunder, and prompts discipline of the pharmacy technicians pursuant to K.S.A. 65-1663(e).

78. The continued exploitation of persons with drug seeking or addictive behaviors jeopardizes the public, health, and welfare and requires the immediate suspension of the pharmacy technicians.

B. Violations of the Electronic Prescription Transmission Requirements Mandating that Prescriptions Be Dispensed in the Course of Legitimate Professional Practice and From Authorized Prescribers.

79. K.A.R. 68-2-22(a) allows for electronic prescription transmissions but requires that the prescriber act within the course of "legitimate professional practice."

80. K.A.R. 68-2-22(b)(3) requires that each prescription drug order communicated by electronic transmission be transmitted by an "authorized prescriber."

81. Dr. Buckley's license was a limited license. Consequently, the prescriptions ordered by her did not meet the requirement of K.S.A. 68-2-22(a) and (b)(3).

82. Dispensing medications prescribed by Dr. Buckley to any of Hogan's internet customers violated K.A.R. 68-2-20 and prompts immediate discipline of the pharmacists pursuant to K.S.A. 65-1627(a)(8). K.S.A. 65-1663(c)(1) applies K.S.A. 65-1627(a)(8) to pharmacy technicians. K.S.A. 65-1663(e) authorizes the immediate discipline of the pharmacy technicians.

C. Prohibition Against Drop Shipping.

83. K.A.R. 68-2-16 prohibits a pharmacy from drop shipping or shipping to a location where a prescription is held or retrieved later by the patient.

84. Hogan's drop shipped to Federal Express locations or to other locations in violation of K.A.R. 68-2-16.

85. Drop shipping medications to internet customers violated K.A.R. 68-2-16 and prompts discipline of the pharmacy technicians pursuant to K.S.A. 65-1627(a)(8). K.S.A. 65-1663(e)(1) applies K.S.A. 65-1627(a)(8) to pharmacy technicians. K.S.A. 65-1663(e) authorizes the immediate discipline of the pharmacy technicians.

F. Failure to Label Repackaged Drugs.

86. K.A.R. 68-7-16 requires that labels on repackaged drugs contain certain information.

87. The practice of placing tablets or pills in bottles without labels violates K.A.R. 68-7-16.

88. The pharmacy technicians at Hogan's placed pills or tablets in bottles without labels in violation of K.A.R. 68-7-16.

89. The failure of Mark Poindexter to label bottles of prescription medication violates K.A.R. 68-7-16 and prompts discipline pursuant to K.S.A. 65-1627(a)(8). K.S.A. 65-1663(e)(1) applies K.S.A. 65-1627(a)(8) to pharmacy technicians. K.S.A. 65-1663(e) authorizes the immediate discipline of the pharmacy technicians.

For the foregoing reasons and for reasons to be identified at any hearing requested in this matter, MARK C. POINDEXTER, is ordered as follows:

1. To Cease and Desist from the practice of a pharmacy technician;

2. To Cease and Desist from dispensing medications pursuant to any order or prescription received from any source via the internet;
3. To Cease and Desist from shipping any and all medications to any customer or patient anywhere.
4. To Cease and Desist from dispensing medications of any kind to any person or location;
5. The registration of Mark Poindexter is hereby suspended.

IT IS SO ORDERED ON THIS 10TH DAY OF MARCH, 2008.

Dr. Shirley Arck/
Vice-President/Investigative Board
Member

Right to a Hearing

You have a right to request a hearing before the Board. If you desire a hearing, you must request the hearing in writing and direct your request to:

Debra Billingsley, Executive Secretary, Kansas Board of Pharmacy
900 SW Jackson, Suite 560
Topeka, KS 66612-1231

You are also asked to send a copy to the attorney for the Board as follows:

Derenda J. Mitchell, Assistant Attorney General,
Supreme Court Number 11690
120 SW 10th Ave., 2nd Floor,
Topeka, Kansas 66612-1597.

Your written request for a hearing must be made within 15 days of the date of this order. If a hearing is not requested in the time and manner provided by law, this Order becomes final. Any appeal rights you may have had may be deemed waived for failure to exhaust administrative remedies.

CERTIFICATE OF SERVICE

This certifies that on the 62 day of March 2008, a true and correct copy of the above and foregoing was personally served by hand-delivery to:

Mark Poindexter
Hogan's Pharmacy
120 W. Commercial,
Lyons, Kansas 67554

Handwritten signature of Dan A. Jones, written in cursive over a horizontal line.

BEFORE THE STATE BOARD OF PHARMACY

STATE OF COLORADO

Case No. 2008-0301

CEASE AND DESIST ORDER

IN THE MATTER OF THE UNAUTHORIZED AND UNLAWFUL DISPENSING AND DELIVERY OF PRESCRIPTIONS TO COLORADO RESIDENTS BY HOGAN'S PHARMACY,

Respondent.

On September 20, 2007, during a regularly-scheduled meeting of the State Board of Pharmacy ("Board"), the Board considered documentation including, but not limited to, the written complaint dated August 3, 2007, in the above-captioned matter.

Based upon the Board's review and consideration, the Board hereby finds that it has jurisdiction over Respondent and the subject matter herein, and that there exists credible evidence that Respondent has acted without the required registration, in violation of §§12-22-130, C.R.S.

The Board finds as follows:

1. Respondent is not (and never has been) registered as a nonresident prescription drug outlet in the State of Colorado.
2. On January 15, 2007, Respondent dispensed and delivered prescriptions to consumers whom reside in the State of Colorado.
3. Respondent's conduct constitutes a violation of §§12-22-130, C.R.S.
4. WHEREFORE, pursuant to §12-22-125.2(9), C.R.S., the Board hereby ORDERS that Respondent immediately CEASE AND DESIST in the dispensing and delivery of prescription drugs and controlled substances to residents of the State of Colorado without a registration granted by the Colorado State Board of Pharmacy, in violation of §§12-22-130, C.R.S.

Within ten days after service of this order to cease and desist, Respondent may request a hearing on whether such acts or practices in violation of Part 1 of Article 22 of Title 12, C.R.S. have occurred. Such hearing shall be conducted pursuant to §§ 24-4-104 and 24-4-105, C.R.S.

The Board authorized the undersigned representative to sign this Cease and Desist Order on its behalf.

DATED this 25th day of September 2007.

STATE BOARD OF PHARMACY

BY: 
Wendy Anderson
Program Director
1560 Broadway, Suite 1350
