

**LICENSURE BY EXAMINATION OR SCORE TRANSFER** - Updated 10/09

License candidates by examination or score transfer must fill out a Kansas Licensure Application. The application is on the Kansas Board of Pharmacy web site at [www.kansas.gov/pharmacy](http://www.kansas.gov/pharmacy) under the link for "Applications and Forms." The link is called "Pharmacist Licensure Application" and the application is titled "Application For Licensure By Examination." This is for applicants who will be taking the NAPLEX or are score transferring their NAPLEX to Kansas and are taking the Kansas Edition of the MPJE. Generally, the application is for new graduates from pharmacy school.

The application requires a \$50.00 check or money order made payable to the Board of Pharmacy. The application must be notarized. You must also turn in 1500 Intern Hours. If you received your Intern Hours from another state you must have the Board of Pharmacy from that state transfer your hours to Kansas. **You must have 1500 hours.**

To register for the Kansas MPJE or the NAPLEX go to the NABP web site at [www.nabp.net](http://www.nabp.net) to the link titled "Examination Programs". Sign up to take the NAPLEX and the MPJE for Kansas.

Kansas study materials can be found on the Kansas web site at [www.kansas.gov/pharmacy](http://www.kansas.gov/pharmacy) under the link titled "Statutes and Regulations". You may prefer to purchase a Kansas Pharmacy law book and disk through the Kansas Pharmacists' Association at [info@ksrx.org](mailto:info@ksrx.org) or phone them at (785) 228-2327. Study materials, other than the law book, may be purchased from Barb Woods at the University of Kansas School of Pharmacy. She can be contacted at [bwoods@ku.edu](mailto:bwoods@ku.edu).

Once you have applied for the Kansas Edition of the MPJE and the NAPLEX you will receive an Authorization to Test (ATT) number from NABP. The ATT number is used to schedule your MPJE and NAPLEX with Pearson Vue. Pearson Vue locations and scheduling can be found on the NABP web site under the link for "Confirm or schedule a NAPLEX or MPJE appointment".

Results of the NAPLEX and MPJE examinations for candidates seeking licensure will be posted on the Kansas web site and provided to each new licensee as soon after the examinations as possible. Scores are listed according to the Candidate's Testing ID number, which is assigned by the NABP testing administrator. Candidates need to write down the ATT number as the ATT is retained by the testing center. Scores are released to the boards anywhere between two to ten business days from the date the candidate sat for the exam. Scores will not be given out over the phone. If you do not pass the MPJE you must wait a minimum of 30 days to retake the examination. If you do not pass the NAPLEX you must wait a minimum of 90 days to retake the examination. You must go to the NABP web site and sign up to retake those tests if you do not pass. The NABP web site has additional information in the Registration Bulletin.
